

YAMARIN

SEASON **2023**

EMPOWERED BY  **YAMAHA**

CAREFREE AND JOYFUL BOATING AT ITS BEST

Yamarin boat range provides all the requirements for the perfect summer spent boating, no matter if the preference is picnics to the nearby islands, lunchbreaks in vibrant marinas or fast-paced days filled with watersports and friends.

Yamarin boats are known for their high quality, and their excellent driving characteristics and user-friendliness guarantee carefree and joyful moments on the waters. Modern, streamlined design and carefully crafted details bring a hint of luxury to every boat in the line-up, all the way from the smallest console boat to the glorious flagship model.

For the boating season 2023 Yamarin line-up introduces a sporty novelty, the 59 Bow Rider, which is a tempting alternative in the size category of boats under six meters. Another novelty is the slightly bigger Yamarin 67 Day Cruiser, with the feel of a large Yamarin but with a little extra agility. The elegant flagship model 88 Day Cruiser is a showstopper, now even more so with an updated look in the open area and bow cabin.

Yamarin boat range offers a perfect model in every size category, for every use and purpose. **Get acquainted with the options at your nearest dealer or at [yamarin.com.au](https://www.yamarin.com.au)**

INSPIRATION FUELED BY VARIOUS NEEDS

There is a favourite model for everyone in the extensive Yamarin boat range, regardless if you're looking for an easily handled camping boat for a nearby archipelago, a multifunctional commuting boat to your summer house, or simply a way to enjoy the sheer thrill of speed with your friends and loved ones. Each and every Yamarin is a carefully crafted whole, with no missing details. The boats have supreme handling characteristics and travel comfort, have extensive set of accessories and represent the timeless, stylish Nordic design. Yamarin is an elegant and reliable choice that is guaranteed to charm you.

SAFETY

Your safety, along with the safety of your family and friends, is highly important to us. This is why all Yamarin boats have gone through hundreds of hours of thorough safety tests – starting all the way from their inception. Wider hulls make the boats steady and easy to handle, teak surfaces and well placed footings let you move around freely and without slipping. Boats equipped with Yamarin Q take the safety even further, with e.g. integrated navigation, engine data and real-time weather reports. The safety tests and carefully designed details result in comprehensively secure boats that are built to be enjoyed by everyone. We do this so you can relax and live out your dream summer.

QUALITY AND DESIGN

Yamarin boats are created to withstand the ever-changing Nordic weather conditions. Its design language and interiors have a timeless, Nordic style, without forgetting family-friendly solutions. In our boats, the use of space is always practical and efficient. The driving comfort is optimized, as is other technical features like the fuel consumption and stability. Yamarin boats are known for their high level of standard equipment and we still make our boats by hand with more than 40 years of experience.

HANDLING

The qualities of thoroughly tested and fully optimized Yamarin boats – as well as their hull geometry – guarantee first-class handling in all conditions. You can trust the boat to take you through even the rougher weather conditions without hesitation, while providing you with unforgettable boating moments.

 **YAMARIN**

EmPOWERED BY  **YAMAHA**

For decades, Yamarin has been a highly valued boat brand with products that combine reliability, comfort and timeless style. The brand's quality is also strongly associated to Yamaha, which helped in making Yamarin one of the most popular boat brands in Scandinavia.

EmPowered by Yamaha is more than a message about Yamarin's performance. It is a promise that empowers. The promise speaks of how both the boat and its driver achieve entirely new experiences, together. Experiences, which are only possible with Yamaha.

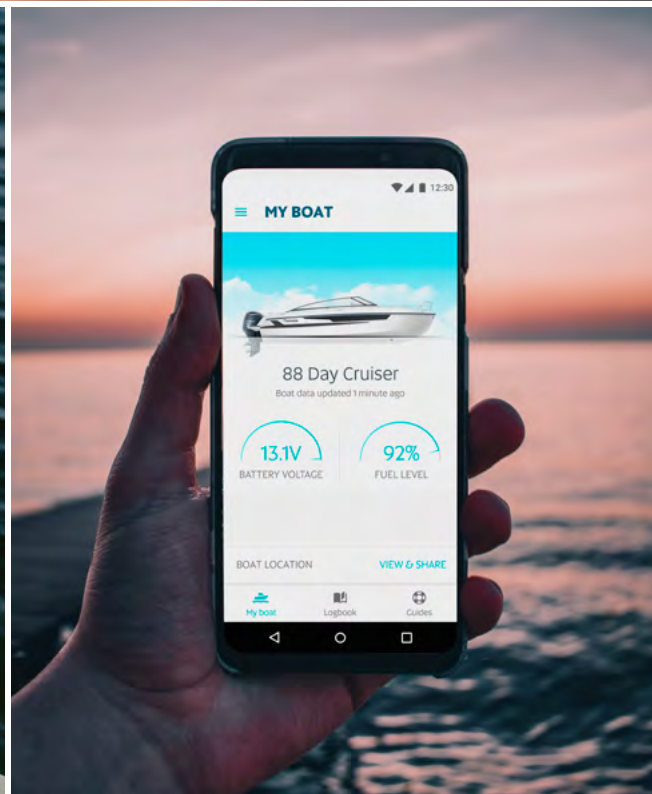

**YAMARIN Q
TECHNICAL INFORMATION:**

- 10" or 16" smartscreen
- Online updates via Internet
- One year data connection (WiFi, Bluetooth, 4G)
- Navionics nautical charts, one map region included in the price
- AIS, Echo, Fishfinder, radar, Guard & remote control compatibility
- Music (BT, FM, DAB) via built-in audio amp
- Boat & engine manuals, instruction material
- NMEA compatible

YAMARIN Q – BOATING MADE EASY

Time spent boating should be carefree and as easy as possible, without having to put extra effort in anything else than relaxing and enjoying. That is what the Yamarin Q infotainment system is for, providing a new level of smoothness, ease and safety to boating, both ashore and on the water. Whether you are an expert boater or inexperienced, Yamarin Q provides you a whole new approach to boating, with its' user friendly features. With the Yamarin Q all the needed functionalities are integrated and found in one place, with just a touch of a finger.

Yamarin Q has a smart 10" or 16" touchscreen where you will find all the important engine related figures and facts, like fuel level and battery status. The navigation with Navionics nautical charts is intuitive on the touchscreen, as you can adjust the screen settings to your own liking and even according to the situation. Everything from localized and up-to-date weather reports to boat guides, instructional videos and music streaming possibilities are accessible with the infotainment system and an onboard computer. The always online -functionality makes sure the system stays updated and provides the latest information at all times. The Wi-Fi hotspot enables sharing the internet connection with other devices.

The infotainment system is completed with the Yamarin app, the free mobile application you can connect with your Yamarin Q to get all the vital information of your boat directly to your phone. The app shows you the location of the boat, the engine status and records your logbook data, by retrieving it all directly from the Yamarin Q. For example, you can quickly re-visit the route of the day and even share it in your social media channels along the pictures you might have taken, directly through the app. All the preloaded video tutorials, user manuals and instruction guides are also available in the app, which allows you to maximize your boating knowledge and safety know-how even from the comfort of your own home.

If desired, the Yamarin Q standard equipment can be supplemented e.g. with an echo sounder, a high-quality sound system and a fish radar. The Yamarin Q Fishfinder uses CHIRP technology, which enables exceptionally good image quality and probes the seabed and fish to a depth of 270 meters. Yamarin Q also complies fully with the NMEA 2000 boating standard, so it can be connected to devices of other manufacturers of boating electronics as well.

Make the most of a full day on the water with family and friends, while navigating with the electronic map on the touchscreen and listening to your favorite music.

YAMARIN DAY CRUISER – THE CONNOISSEUR’S CHOICE

The Yamarin Day Cruiser boats are premium day cruisers with bow cabins that feature thorough finishing in both their design and details. A high equipment level, smart use of space, and an elegant interior have made this great model number one in the DC class. Yamarin Day Cruiser creates an ideal fit for day trips, camping, and water sports – even offering the opportunity to stay overnight.

The DC range includes models:
88 DC, 79 DC, 67 DC, 63 DC and 60 DC.

YAMARIN BOW RIDER – FOR SPEED LOVERS

A fun, trendy, high-performance open boat with excellent handling. What more could you ask for high-speed water sports or day trips? The practicality and safety of the sturdily constructed Yamarin Bow Rider create unforgettable experiences of high-speed boating. Its pivoting offshore seats, together with the table in the rear space create a social space in the stern, fit even for a larger group.

The Bow Rider range consists of 63 BR, 59 BR and 50 BR.

YAMARIN CONSOLE – THE A-CLASS OF OPEN BOATS

The Yamarin Console open boats are an excellent match for inexperienced boat drivers. The Console open boats enable versatile use from commuting to camping and fishing. The Console model with its high sides, offers a spacious interior and practicality, not to mention stability, safety, and excellent handling.

Our Console range includes: 46 SC.

88 DAY CRUISER

The timeless elegance of the 88 DC is taken to the next level with the new facelift for season 2023. Carefully thought details like the wooden interior in the cabin and stainless steel windscreen frame provide a luxurious look and feel to the flagship model, and with the Yamarin Q+ the ergonomics and convenience of the boating experience are maximized.

59

NEW

BOW RIDER

The sporty 59 BR is a fun ride, even though it is stable and predictable to drive. A well-shaped windshield provides protection from wind and spray, so no need to watch out for the waves or splashes. The open area can be turned into a nice sunbathing lounge with the aft seat's flipping backrest. Well placed large steps throughout the boat make sure it is possible to move from bow to aft with ease. Softdeck is a standard equipment and finalizes the boat's stylish overall appearance.
